

## Application for Part Lot Control

Under Section 50(7) of the Planning Act

Property Roll Number: \_\_\_\_\_

Application Received: Jan 26/18

Where land is within a registered plan of subdivision and the owner wishes to subdivide a lot or a block within such registered plan for the purpose of selling, conveying, leasing or mortgaging such part lots or block lots, an owner may request the Municipality to pass a Part Lot Control Exemption By-Law under Section 50(7) of the Planning Act. This provision establishes that subsection 5 (Part Lot Control) does not apply to land that is contained within the lands subject to Part Lot Control By-Law

The Town of Grand Valley will give consideration to using this method of severance of land for residential development fronting an existing or dedicated road. In all cases, no Part Lot Control Exemption By-Law can be recommended to be approved if the municipality desires any conditions to be applied to the division of subject lands.

The final passing and registration of a Part Lot Control Exemption By-Law eliminates the need for an owner to receive approval of an application for Consent from the Committee of Adjustment.

### Submission of the Application

- Part Lot Control application form – completed and signed.
- Application fee of \$1000 – payable to the Town of Grand Valley
- Six (6) copies of a Draft Reference Plan prepared by an Ontario Land Surveyor together with six (6) copies of a Building Location Plan, if applicable.
- The following information is required to be shown on the reference plan/building location plans:
- Legal description of the subject lands.
- The true dimensions and bearings of the property.
- The location of all new lot lines proposed to be created with corresponding lot areas and lot widths indicated thereon.

- The location, dimensions and setbacks of all residential buildings or foundations thereof, as well as accessory buildings.
- The existing or proposed height and number of storeys of all residential buildings.
- The location of driveways and parking areas including garages (specify when garages are attached).
- SECURITY DEPOSIT: Costs will be invoiced as received and are required to be paid in full and will not be drawn from the security deposit. The security deposit will be returned when your file is closed

### Process

- 1) Applications are reviewed for zoning compliance and circulated to a Review Team and outside utilities for compliance with servicing plans.
- 2) Applications are required to deposit the reference plan once the plan is deemed to comply with zoning requirements and confirmation is given that it is consistent with any approved servicing plans. The subdivision plan must be registered at this point.
- 3) Applications are required to submit a digital file of the deposited reference plan(s).
- 4) All current outstanding taxes must have been paid for the subject lands.
- 5) The Town of Grand Valley's Planner makes a recommendation on the application and the by-law prepared.
- 6) Following the passing of the by-law by Council, the by-law is registered.
- 7) Since the PLC by-law makes specific reference to the Reference Plan, any changes to the lotting configuration thereafter requires a new application for Part Lot Control Exemption and the passing of a new by-law, to ensure compatibility with servicing.

Each Part Lot Control By-law in the Town of Grand Valley remain in force and effect for a period of two (2) years from the date of its passing.

## TOWN OF GRAND VALLEY: PART LOT CONTROL APPLICATION
