

Purpose of Development Charges

The general purpose for the imposition of development charges is to establish a viable capital funding source to meet the Town of Grand Valley's financial requirements in providing future infrastructure development.

The Town Council passed uniform municipal-wide By-law No. 2019-42 on August 6, 2019, under subsection 2 (1) of the *Development Charges Act, 1997*, as amended.

Development Charge Rules

The main rules for determining if a development charge is payable in a particular case, and for determining the amount of the charge, are as follows:

- 1) Development Charges By-law No. 2019-42 (as amended) apply to all lands in the Town, as specified on Schedule B of the by-law.
- 2) Development charges imposed under this by-law are calculated, payable and collected upon issuance of municipal approval with respect to each dwelling unit, building or structure.
- 3) In addition to the mandatory exemptions under the Development Charges Act, 1997, the following uses are exempt under By-law 2019-42:
 - An accessory use not exceeding 15 square metres;
 - Non-residential farm buildings;
 - Places of worship including lands associated with church yards, cemeteries and burial grounds; and
 - Industrial developments.
- 4) A reduction in development charges under the by-law is allowed in the case of a demolition or redevelopment of a residential, non-residential, or mixed-use building or structure, provided that the building or structure was occupied, and a building permit for the redevelopment of the land was issued within thirty-six (36) months of the issuance of the demolition permit.

Statement of the Treasurer

As required by the *Development Charges Act, 1997*, as amended, and Bill 73, the Town Treasurer must prepare an annual financial statement reporting on the status and transactions relating to the development charge reserve funds for the previous year. This statement is presented to the Town Council for their review and may be reviewed by the public in the Clerk's Department during regular business hours at 5 Main Street North, Grand Valley, Ontario.

This pamphlet summarizes the Town's policy with respect to development charges. The information contained herein is intended only as a guide. Applicants should review By-law No. 2019-42, as amended and consult with Planning Department to determine the applicable charges that may apply to specific development proposals.

The Development Charges By-law is available for inspection in the municipal office, Monday to Friday, 8:30 AM to 4:30 PM and on the municipality's website at www.townofgrandvalley.ca.
