Dear Mr. Cignini:

Re:

**Hydro One Land Assessment and Remediation Program  
Grand Valley Distribution Station – South Property – Remediation Report:**

This letter is a follow-up to the Remedial Work Plan provided to you in a cover letter dated April 28, 2014. I am writing to confirm the results of the remediation that Hydro One Networks Inc. ("Hydro One") completed on your property during July – September 2014 as of follow up to signed access agreement dated May 1, 2014.

We are attaching a copy of a report prepared by an independent environmental consultant, Stantec Consulting Ltd., describing the remedial work & verifying its completion.

Hydro One would like to thank you for your co-operation & patience shown throughout the sampling & remedial work.

Yours truly,
